

Shaker

# Skandex 350 [SK350]

PRODUCT INFORMATION

- Up to 35 kg
- Space saving sliding door
- Preset mixing times
- Easy to use
- Robust & reliable

The SK350 is Fast & Fluid's entry model shaker specifically designed for the European market and complies with CE regulations.

With its capacity of up to 35 kg it is suitable for all points of sale with a low to medium volume paint turnover. The manual internal sliding door assures the limited use of valuable floor space and the 3 preset timers (with values of 30, 60 and 150 seconds) guarantee an easy operation of the shaker.

The SK350: a rugged and reliable product at an economical price.
